

Want to join us?

Wonder what being a member of the Club is like?

Membership in the MRCT offers many things!

- Be part of a new venture continuing the 84-year history of the Club with a new state-of-the art layout?
- See how it works on the inside, be part of making it work.
- Develop new skills, share skills you may already have.
- Enjoy model railroading and spend time with a group of congenial members who have a passion for modelling.
- Learn about Canadian railways and see how we transfer prototype practice into building and operating a world-class O-scale layout?
- Experience 1950's railroading while operating trains using Digital Command Control (DCC).

Becoming a member – the how to!

- ☑ Email us to make an appointment to visit on a Thursday evening or Saturday during the day.
- ☑ Spend some time getting to know our members and seeing first-hand what we do during our regular work sessions.
- ☑ Complete a membership application and a six-month probationary period with regular attendance.

*Dues structure discussed upon application.
Membership restricted to age 18 years and over.*
